Little Foot Running Club & Little Foot Run

Little Foot Run

The "Little Foot Run" has been established to give the kids in the "Little Foot Running Club" an end goal as well as to promote fitness to all children in our area. There will be both a ½ mile and full mile goal option. Kids are also welcome to run the 5k at a discounted price. Visit www.speedy-feet.com to register for the Little Foot Run or 5k.

Kids do not have to be a part of the "Little Foot Running Club" to be able to participate in the "Little Foot Run".

Little Foot Running Club

The Coldwater Cross Country team & coaches are offering the third annual Little Foot Running Club this summer to teach kids the basic fundamentals of running, such as stretching, form running, and strength conditioning. Kids ages 4-12 are welcome. The group will meet Wednesday 7-8pm June 13 – July 25, off July 4. **Open to kids from ALL communities!**

There has been a group formed called "Little Foot Running Club" on Facebook where you can find more info, stay updated & print the registration form.
